## Original, Inspiring & Funny!

Susan is a dynamic speaker who connects with her audiences. Through engaging and inspiring speeches and workshops, she demonstrates the principles of mentorship and leadership that improve communication and change workplace culture so that organizations are more productive and staff willingly uses every opportunity to grow, develop, and cause breakthroughs.

*“Susan did a superb job for our group. Everyone at the conference enjoyed the content and her presentation style. Susan truly did do her “homework.”* – **Hospital Executive & President of Statewide Healthcare Association**

“Susan is a highly sought after speaker, teacher, and author. She is been a speaker for us on three different occasions and I am still getting positive feedback.” - **Chamber of Commerce Executive**

*“Thank you so very much for the excellent mentor training yesterday. Susan has a wonderful passionate perspective on communication and understanding of how people should relate to each other and achieve good work. I feel very fortunate.”* **College Financial Aid Officer**

## About Susan

**Founder – Odyssey Mentoring & Leadership**

**Author – *Aspire Higher* - True Success Stories of Business & Career Mentoring**

Susan speaks nationally on Mentorship, Leadership, and Communication. She helps her clients create a culture of learning and support that allows people to deliver breakthrough results time after time. Susan has 30+ years of experience working with leaders at all levels of organizations in many industries, including federal, state and local government, colleges, universities, for-profit and not-for-profit. Industries include healthcare, parks and recreation, advertising, accounting, scientists, physicists, architects, consulting engineers, construction, unions and clergy. Susan inspires and engages her audiences, clearly embodying the ideal that ordinary people can be extraordinary. She has a bachelor’s degree in Communication and a master’s in Management & Organizational Leadership.
