

# THERE'S NO APP TO ADAPT ... YET

Alternate Titles: Reimagine Your Tomorrow, How to Thrive on Your Journey Into the Never-Normal

Change can be freaking terrifying. There is no pause button. You can't turn back the clock. And there is no get out of jail free card to pardon us. Like it or not, our future will be synonymous with change. And the change won't just be perpetual but more disruptive, more intense, more frequent, and more VUCA (volatile, uncertain, complex, and ambiguous.) The good news is that you do not need to live your life at the mercy of change. You can make change work for you and turn it into your personal superpower and business advantage. The bad news is adaptability doesn't just happen by accident. Are you ready to rewrite your next life chapter and regain control of your destiny in this Never-Normal world? Reimagine your future filled with purpose, happiness, and growth. Start here.

## WHAT YOU WILL LEARN\*:

1. Why change is so freaking hard
2. Why adaptability is the secret sauce for future employability and success
3. Why we need to "be water"
4. 5 personal superpowers anyone can use to turn change to your advantage
5. How your company culture can cultivate growth and innovation ...or burnout and stress
6. A scientifically validated approach to change anyone can use
