

Andrew Katz Tutoring

CPA Exam Support & Tutoring Group

Founded in 2020 by Andrew Katz, a certified CPA, Andrew Katz Tutoring is dedicated to preparing CPA candidates for the challenging CPA exams. This tutoring service focuses intensively on the four principal sections of the exam: Financial Accounting and Reporting (FAR), Regulation (REG), Auditing and Attestation (AUD), and Business Environment and Concepts (BEC).

Andrew's outstanding performance, with an average score of 90 across all sections on his first attempt, inspired him to guide others through the CPA exam process. His service is tailored to enhance students' understanding of

the exam content and to specifically target their weaker areas, earning acclaim from students for its "gold standard" level of personalized tutoring.

The Tutoring leverages a customized approach to each student's education. Andrew begins with a thorough assessment of the student's needs, leading to a bespoke study plan emphasizing a critical review of trending multiple-choice questions and simulations. This strategy ensures that students are well-prepared and confident when facing their CPA exams.

To date, he has mentored over 100 students, with many scoring as high as 93. His precise and methodical teaching style has been instrumental in helping students overcome the complexities of the CPA exam content. One student expressed, "Andrew was pivotal in helping me pass the REG section with an 81. His focused and structured sessions were incredibly beneficial."

In addition to customized tutoring, Andrew Katz Tutoring offers prospective students a 15-minute phone consultation to tailor the tutoring sessions according to their specific needs accurately. Andrew's practical and proven tutoring methods have made his services highly sought after, often resulting in a fully booked schedule.

Andrew is employed in the Real Estate Finance Department of a prominent asset management company. His broad experience includes prior positions at Cerberus Capital Management and Marcum LLP, where he specialized in fund accounting and real estate auditing. Andrew graduated from the New York University Stern School of Business with Summa Cum Laude honors, holding degrees in accounting and finance.

The Tutoring not only focuses on helping students pass their CPA exams but also aims to equip them with the confidence and knowledge necessary for a thriving career in accounting.
