BIO

Are you an entrepreneur, business owner or leader who wants to **maximize your potential, overcome big hurdles, and come out the other side a winner?**

Right now, maybe all you see is challenges and obstacles. You find it difficult to grow your business, take it to the next level, or make it sustainable because you:

- Lack the necessary motivation, dedication and commitment to boost your business to the pinnacle of greatness
- Don't have the mental toughness to overcome your setbacks, adversities, and failures (which we all have!)
- Can't seem to pivot ahead of disruption, uncertainty, and change so you risk being blindsided by forces no one can see coming

WAYNE MENDEZONA SPEAKS FROM EXPERIENCE.

He is a renowned business speaker and motivational coach is here to help you out. **He will give you the inspiration and empower you to help you discover that mental toughness, dedication and commitment** that you greatly need for overcoming business adversities and challenges and for making your business a roaring success.

Over the years, motivational guidance from Wayne has **helped many entrepreneurs, business owners, athletes and other high performers to triumph over their challenges and achieve success in their respective fields.**

TESTIMONIALS

CONTAGIOUS passion, **INSPIRING** energy, **PROFOUND** message.

“Coach Mendo gives you EVERYTHING he has to give. Each time I have the blessing of working with him, he leaves no doubt that he deeply cares about helping people reach their fullest potential. His energy and passion are inspiring and contagious - and each time I leave from his talks I feel challenged and full of hope. He is the king of acronyms and there is no doubt that he has personally tested and proved everything that he talks about. His speaking style and stories are always engaging and I'm always blessed by the messages he brings.”

- Tim Bieri

Infectious Energy

“Over the past six years I've heard Coach Mendo speak, trained with him as he prepared for a 50-mile race, watched him lead camps and clinics, and witnessed his one-on-one coaching with my son. Across every aspect of his life and work, he absolutely embodies integrity and discipline, as well as infectious energy, enthusiasm, persistence and joy. Coach Mendo's speaking is like a shot of adrenaline and a spark that motivates effective, goal-driven action.”

- Tom Trimble

Passion For Greatness In Every Person

“I have known Coach Mendo as a Coach, Clinician, and Educator for 16 years. I've heard him speak at numerous camps, clinics, community events and university functions. Without a doubt, he is the most passionate person I know when it comes to inspiring every person he comes into contact with to go all out in pursuing greatness in their life. He truly believes that each person can be great and has a unique and effective ability to communicate that message in ways that inspire people to overcome challenges and go for more.”

- Jim Hall
