Your Caring Workforce.*

Brandi Heather is restoring connection, courage and creativity to your caring workforce.

Known for her humor, powerful energy and 25+ years of experience as a College Professor and Therapeutic Play Specialist, she is tackling fatigue, burnout and disengagement utilizing the serious science of play.

Her cutting-edge recruitment, retention, and engagement strategies delivered in custom keynotes and workshops drive innovation, inclusion and productivity. Brandi is taking care of people who take care of people!

The Science of Being "In Play"

- ✓ Optimizes productivity and performance
- ✓ Improves retention and engagement
- ✓ Reduces stress, anxiety and burnout
- ✓ Creates curious, inclusive conversations and critical thinking
- ✓ Builds a sustainable, healthy workplace culture

"Brandi engaged a room full of 240 people into stopping to play and understanding the importance to the work we do. People left with strategies they are using every day."
