## **about me...**

Embarking on my journey from law school to real estate was a leap of faith, filled with unexpected twists and turns. Transitioning from the courtroom to the world of sales initially left me feeling uncertain and out of place. However, now armed with 25 years of experience as a member of the Nebraska Bar and 11 years as a member of the Real Estate Commission, I've embraced the challenge head-on. Despite facing bouts of imposter syndrome along the way, each obstacle has only strengthened my resolve and propelled my personal growth. Confronting these insecurities has transformed me into a more confident and resilient professional. Today, I stand ready to share my journey, insights, and expertise with audiences, offering a unique perspective forged through perseverance and determination.
