**COLLEEN HAUK**

# COLLEEN HAUKE

AT THE INTERSECTION OF  
INSPIRATION AND INSIGHT

Colleen Hauke is a sought-after workplace dynamics expert and keynote speaker. She is the founder and CEO of The Corporate Refinery, a consulting and training firm that works with some of the world's largest companies to forge new paradigms for women and what leadership means for today's world.

Colleen's passion grew from her 15 years as a corporate executive where she experienced first-hand the negative effects of poor leadership and lack of self-care. After suffering her own breaking point, she transformed her personal circumstances and inspired others across the organization to impact cultural change.

Colleen is the co-author of two books, including the bestseller, *Women Who Ignite*.

She is a multiple-time contributor to *Forbes* and delivered her keynotes and trainings to Fortune 500 companies and organizations such as Dell, Merck, Panasonic, and New York Life.

## The 'And' Life:

### Create a Powerful Career and Extraordinary Personal Life

Executive teams consisting of both men and women are more likely to have above-average profitability, yet women continue to leave the workforce at higher rates than men. In this session, you'll learn how to cultivate resilience to meet your professional demands while thriving across all other elements of your life.

## The 5-Star Leader: Become the Manager Who Leaves a Legacy

Through her own 20-year personal leadership journey, Colleen has created a unique framework for leadership that will help you become the confident, effective leader who leaves a legacy that lives beyond their time. You'll discover how to transform yourself, then your team to create a cohesive culture that delivers results, even when the stakes are high.

## The Acceleration Trifecta:

### Reframing the Advancement of Women in Leadership

If organizations are serious about increasing profits while strengthening their DE&I outcomes, now is the time to retain the next generation of female leaders. In this session, Colleen reveals the three mistakes organizations are making and how to use those to reframe the advancement of women in leadership.
