

"Todd has become a mentor to me. He has consistently helped bring me closer to achieving my goals. Anyone who picks up his book will be inspired."

-Nik Wallenda

"I run on 120 volts, but Todd runs on 240 volts. He is engaging, caring, loving, kind, generous and spiritual. He genuinely wants to engage with and help everyone he meets."

-Doug Badertscher

ABOUT TODD SAYLOR

Todd Saylor is the author of the books, the brand, and mindset teachings, Wired Differently. First and foremost, he is a man of faith. As an accomplished author, speaker, CEO, entrepreneurial world record holder, business coach, renowned change agent, and owner of 14 different organizations, Todd has taken his business and motivational gifts around the country to inspire others to use their own favors toward success. From humble beginnings as a young boy in his father's small-town donut shoppe to owning over 14 different organizations and several national brands, Todd will deliver an expert message that each audience can relate to- which never misses! You will leave inspired, energized, and uplifted!
