# Crystal Egli

**HUMOR • VULNERABILITY • MOTIVATION**

Crystal Egli is a dynamic speaker who leads with vulnerability and humor. As an avid outdoor enthusiast, Egli found her stride after filming the YouTube Series "My First Big Game Hunt", which chronicled her year and a half long venture into a white-male dominated industry. After winning a national award for the series, Egli was highly sought after for speaking engagements along the theme of hunting as a woman of color, only to find her voice on other topics as well, such as adoption, overcoming extreme childhood trauma, and being a woman of color in tech.

## Topics Include

HUNTING/FISHING  
ADOPTION/ADVERSITY  
DIVERSITY IN THE OUTDOORS

Egli is a board member for the non-profit Hunters of Color, has been appointed to Colorado Governor Jared Polis' Inclusion In Travel Advisory Committee, is on the leadership board for both Artemis Sportswomen and the Together Outdoors Coalitions.
