# The Power of Presence

## OFFICIAL BIO

Daniel Olexa, MCC, CIHT has been a coach all of his life. He started his 'official' coaching career in 2017. In less than 7 years, he earned his MCC credential, coached hundreds of clients, trained over 3,500 individuals around the world to become coaches.

He is the founder of Transcendent Living, and believes in everyone's ability to live beyond normal outcomes, if they are committed to examining their stories of worthiness and self.

His motto is: "Ordinary people do ordinary things. You are better than that."

## SPEAKING & MEDIA TOPICS

Trusting Your Gut: How to Overcome Fear and Trust Your Intuition

Fear typically knocks us out of intuitive flow in our work and in our lived.. What is on the other side of that fear? In the gut-check moment, how can you embrace trusting your intuition, take a leap of faith, and let your life flow?

---

There Are No Accidents in the Universe

With this empowering speech based on his own life circumstances, Daniel inspires audiences to see past negative events so they may understand and embrace the strength that comes from all experiences.

## EDUCATOR

As a trainer, Daniel has taught over 3,500 students around the world how to be powerful coaches.

Daniel hosts international personal empowerment retreats designed to unleash core knowledge and connect to transformational wisdom.
