

ENNEAGRAM

The image features the word "ENNEAGRAM" in a bold, sans-serif font. The letters are arranged in two rows, with the top row being the primary focus. Each letter is filled with a different color from a rainbow spectrum: E (orange), N (red), N (pink), E (purple), A (teal), G (cyan), R (green), A (light green), and M (yellow). The letters have a 3D effect, with a darker, semi-transparent shadow cast directly beneath them, creating a reflection. The background is a solid, dark grey.
