

# J. Israel Greene

Certified Speaker | Trainer | Coach

Book Israel for Strategy/Coaching/Workshops

J. Israel Greene is the Owner and Founder of Greene Consulting Group(GCG). He is one of the most in-demand and top-rated African American Male speakers in the country. GCG focuses on Leadership Development and Diversity, Equity, & Inclusion Strategy for tech firms and many other industries. Israel has been booked to present his proven 'V.E.T.' Diversity Framework and strategy to companies such as Whirlpool, Northwestern Mutual, Chicago Public Schools, and Leadership Conferences throughout the U.S. A former business executive with a Six Sigma Green Belt, Israel understands how organizations operate and what they need to remove the barriers and transform company culture. Certified as a Speaker, Leadership Trainer, & Coach as well as Certified Diversity Executive Candidate, he is committed to empowering Emerging and tenured leaders to be the catalyst to change and elevate their organizations to the next level.

Israel understands how frustrating and defeating it can feel when your organization is faced with challenges and it feels like your influence doesn't seem to move the needle. This is exactly why he is committed to helping companies re-engage their employees and transform their company culture through Leadership Development, Coaching, and Diversity, Equity, & Inclusion Interventions. His goal is to help companies remove the barriers, so they can recognize and create equity and innovate to the fullest.

If you are ready to remove the barriers so that you can focus on the heart of your business, then its time to work with Israel and the GCG team. Your teams will walk away feeling motivated and inspired. They will have clarity & focus and be able to execute with laser precision to get the results they have always dreamed of. Ready to raise that leadership lid? Contact us now.

## Book Israel for Keynote Speaking:

Understanding that a speaker can be the determining factor of the success for an event, our focus is always on you as the event planner and the needs of your audience. Israel Greene is an experienced stage speaker who entertains, enlightens, and inspires his audience each and every time he speaks. Regardless of size, he presents with the same enthusiasm and conviction be it for an audience of 10 or an audience of a thousand. Through a consultation session, together we will clearly define your objectives and he will customize his message to fit your event. Focusing on themes that he is passionate about, speaking from the heart, and always being authentic, he will craft a message that will resonate with your audience and empower them to succeed and come away feeling centered and focused.

## Speaking Topics Include:

- Cracking the “Culture Transformation” Code
- Equity: Creating A Seat At The Table
- Own the Story of Your Life
- Hero Unleashed: An Inspirational Guide to Intentional Living
- Mundane to Monumental- Your Guide to Greatness
- Content created specifically for your event
