"Kim Ades's presentation is possibly the best leadership event I have attended. I feel significant benefit both professionally and personally from my implementation of a number of items covered that day."

**-Bruce Witwer**

"Kim Ades's talk was nothing short of inspiring. The attendees were highly accomplished managers with years of experience directing the activities of major companies in NYC. They can be a tough audience, but Kim completely captured them with her energy, thought-provoking questions and live participation." **-Mahesh Chatlani**
