I can't change your life.

But I can change your mood, your minutes and your mind using Positive Misdirection.

I can give you the tools to elevate yourself, and others, when it's needed the most."

Programs

Choose the GOOD News

There's more around you than you realize.

You'll be taught how to notice it and laugh a little along the way. You will see it's impact when you feel the mood of the room change during this speech.

Beyond the Wand: Proven Benefits of Magic Tricks on Health and Well-being (Most Popular)

Empirical studies reveal seeing and/or performing magic helps you mentally and physically.

You'll experience the awe, learn to create it, see how the psychology of this art form can change your life.

Mentalism/Magic Performances

This isn't kid's stuff. It's so powerful, adults often blurt out things they shouldn't.

And if they aren't saying it, they're thinking it!

Bio

Member of the National Speakers Association and a TEDx alumnus with over 25 Award Winning years of experience in Television and Entertainment News, Commercial Advertising and Independent Film.

As a Professional Mentalist/Magician he's a member of the International Brotherhood of Magicians with over 20 years experience.

What Others Say

His message was positive and uplifting and I'm still receiving positive feedback from those that attended our annual meeting. Highly recommend him for your professional event."

-Lisa Long, MSM, IOM, Experienced Chamber of Commerce, Business, and Community Development Executive

"He shared the research that shows magic can boost mental health, and he proved it by demonstrating several awe-inspiring and laughter-invoking magic tricks. You conjured up lots of goodwill and great employee engagement as Youth First prepares for a magical new year of caring for and serving others."

-Parri O. Black, President & CEO at Youth First, Inc

"Lewis was such a wonderful story-teller and mentalist. He created an unforgettable experience that blew us away. Aside from his performance, Lewis was great to work with."

-Becca L. Girtten , CPA, Partner Kemper CPA Group LLP
