Lewis gives his listeners the information they need with clarity, humor, and professionalism.

-Ange Humphrey, Host, Lifestyles. WEHT/WTWV

Programs

Choose The GOOD News: Using Humor and Storytelling to Boost Your Business

- See how humor and funny stories open lines of communication
- Discover that not everyone can tell a joke, but everyone can tell a story
- Find out how stories are the connective tissue of human beings
- Learn how they don't have to be your stories to be effective
- Reach new levels of creativity, productivity and bonding with co-workers.

Get To The Damn Point: The Key to Shorter, More Effective Meetings

- Stop losing money and time, internally and externally
- How to say less and be heard more
- Say no to Death by Slide Deck
- Eliminate Ah's and Um's
- Learn the pioneering secret about how poor communication skills impact time in a way that no one else has discovered

10 Questions:

1. Do you use paid, professional speakers?
2. Who have you used in the past?
3. Do you have a specific program date?
4. Where will the meeting be held?
5. What type of meeting is this?
6. How is the decision made regarding speakers?
7. When do you begin planning the meeting?
8. Is there a focus or theme to your meeting?
9. Is there a budget I should be aware of?
10. Is there anything else you need from me in order to decide if I would be a good fit for your meeting?

What Others Say

"Lewis was engaging, entertaining, and informative. We walked away with many nuggets of wisdom and a new business perspective. I wish everyone could be a recipient of Lewis' message and passion." -Jennifer Duncan, National Account Manager, Amplifon Hearing Health Care

"I learned more in a 5-minute presentation from him than I have in many other storytelling webinars combined." -Nicole Lowe, Registered Nurse

Plane Funny

The only people in the newsroom were a producer, photographer and me.

The photog was eating an early lunch.

The producer was writing a story about someone involved with an experimental plane crash. To no one in particular, in a perplexed tone, she asked, "Who would be stupid enough to fly an experimental plane?!"

The photog, without missing a bite, said, "I don't know...the Wright Brothers?"
