SPEAKER KIT 2022

## ABOUT LEXI B

**I'm a professional storyteller, thought leader and self-proclaimed freedom fighter.**

I like to say that I am militantly free, which is as free as anyone can be. This just means that I am able to say what I feel is right, not just for me, but also those around me, without fear or the feeling of complacency overriding what needs to be said.

# KEYNOTE

## Everyone is a Freedom Fighter How to Create Equity in the Workplace

In her signature lecture, Lexi B demolishes the audience's perception of privilege. Participants are lead through a self-reflective journey to understand the unique cultural, social and professional advantages they inherit as it relates to their individual lived experience. Guests leave with actionable strategies to help realize and pinpoint exact moments of opportunity to infuse legitimate equity in their workforce.

**75-90 MINUTES**

During this transformative experience participants will:

- Discover their own personal value system and the role it plays in decision making
- Learn a basic understanding of different leadership styles and identify the styles that resonate with their values and beliefs
- Learn strategies for encouraging an open-minded environment and culture
- Practice and apply strategies for becoming a better listener

# CLIENT FEEDBACK

It was truly an educational, thought-provoking experience, and I know everyone appreciated hearing her insights on the history of Juneteenth and how to use privilege at work and beyond. We would love to collaborate again in the future!!

**Bhume Patel, Senior Associate (Talent Aquisition),  
Morning Brew**

---

"Lexi's conversation was just amazing. It literally gave me life. I know many of our community members felt like that. I believe many of us went back home and ask our parents what were our skills as children! It was a pleasure collaborating with her and we would love to stay connected for future possibilities!"

**Paloma Bianchetti, Community Marketing  
Associate, Power To Fly**

---

"Lexi brought amazing energy and such a safe way to look at the topic of privilege and how to actualize allyship and advocacy!"

"Very powerful, can't wait to share the recording with others! No one should miss it."

"Man, she was giving so much perspective-shifting this morning, I could hardly stand it!"

"Phenomenal job!"

**Pearson Bold February 2022 Session Feedback**

# CLIENT FEEDBACK

“Lexi was able to get a room full of corporate colleagues to take off their job caps and connect as people with exercises like telling each other about how we identify and what has deeply influenced us in our lives. Her ability to command a room is brilliant and I would gladly invite her back for another presentation!”

**Renata Salazar Costa, Former Digital Content Manger of Nestle**

---

“Working with Lexi was a breeze and her talk was so inspiring and encouraging to our team members. To this day, her presentation is one of the most referenced talks amongst our project managers.”

**Akira Brown, Business Analyst, Rock Ventures**

---

“I have heard Lexi speak several times and am always blown away. She lights up an audience with her passion and ability to connect. She’s brilliant, funny, real, and courageous in her message- a superstar!”

**Amy Hayes, Facebook VP Global Learning and Development**
