MEET MISTER MOTIVATION

Get inspired by Shaun's journey from his humble beginnings in the heart of Barbados to the mean streets of Brooklyn, NY where he realized the only way he was going to raise himself up to a higher level in life was by joining the military. Despite the amazing growth he gained from his service in the Army, within three months of transitioning to the civilian world and beginning his new life as a Veteran, he found himself homeless, broke and having the need to make another massive move in his life before it was too late.

Thus began Shaun's transformation into Mister Motivation, and the creation of the 5M success formula that has not only changed his life but has also impacted the countless lives of those who have heard him speak and taken his five week Wake The Beast course.

His high-level energy and stylish presentations uniquely combine his music and spoken word poetry into his motivational speeches, leaving crowds of all sizes cheering and shouting for more. Are you ready to get inspired in a way you have never experienced before? Are you ready to Wake the Beast in you and your team?

He is Mister Motivation! Your Motivational EDU-Tainer!
