IN THE NEWS

Featured in more than 50+ Newspapers as the Public Speaker & Coach bringing positive change. Glimpse of them are listed below:-

 New Delhi, May 18: We live in a competitive world, and we run every day to meet the two ends. Individuals & Students go through various challenges in their careers like office politics, sustaining the toxic environment, tuff bosses, stagnant growth, no clarity of career, unfulfilling careers & lack of career guidance. At some point in life, we all wish to have hand-holding by a supporter who can teach us the right skills to solve this issue & narrow down our doubts. It consoles us and comforts us to move forward in life, giving us a clearer method to move forward from clutter to clarity and assuring us that there is still a long way to go.

Manuj Matta is one such public speaker & life coach who believes has given strength to Individuals to up-skill for personal success through complete personality transformations. Also, it has the power to motivate them to make impossible things possible. **Manuj Matta's coaching & speeches** not only motivate people but give them an efficient step-by-step method to solve all the problems at the root level, along with the ability to open doors to new possibilities as part of the solution.

5. Lack of guidance on how to follow passion / start own business or switch careers.

Speaking is a powerful skill, and those who can manage to speak in both soothing and motivating tones at the same time are the best public speakers. At one point, Manuj Matta realized that speaking would empower the masses, but is that able to put them in a good state? People who are depressed or devastated regarding their professional life need special attention to bounce back. That's when Manuj started coaching people. He became a successful coach by spending more time with his clients, helping them with their problems, and then putting them back in a healthy state.
