FOR IMMEDIATE RELEASE

CHARLOTTE, NC – World-renowned energy healer and author, Marla Goldberg, knows how to help others find a path to their most fulfilling life. Components include forgiveness and gratitude among other ingredients that help make up this recipe that has bettered the many clients Marla has worked with over the years. Of course, Marla had to first experience this recipe for herself.

During a rough period of her life, Marla knew a change needed to be made. This is when she was introduced to a variety of alternative healing disciplines, through attendance and participation in a specialized school. She continued studying over the next three years and was trained in 14 different healing techniques, which she has used to help herself and others who have crossed her path. Now, she continues helping clients through her education and continued learning of healing techniques – and is now trained in 24 unique modalities.

Now, in addition to her incredible healing abilities, Marla is:

- The author of the best-selling [*My F*cking Long Journey to Loving Myself: A Guide to a Shorter Path*](#) and [*My Sacred Journal*](#)
- At the helm of the [*Global Conscious Development Circle*](#) - *the* definitive platform for education, featuring courses that will encompass; leadership, spirituality, mysticism, healthy living, and empowerment.
- The host of the major podcast, [*Guided Spirit Conversations*](#), on Voice America, which airs Thursdays at 9am PST on VoiceAmerica Empowerment Channel and, as of Nov. 8, Sundays at 9am PST on VoiceAmerica Variety Channel
- The creator of [*The Original Scream Pillow*](#), as well as a number of other amazing [products](#)
- Working with people around the world who benefit from her [life-changing services](#)

Marla has appeared in *Thrive Global*, *Authority Magazine*, *GREY Journal* and *Identity Magazine*, as well as on television's *The List*, *FOX's Good Day Charlotte*, and *Awaken Atlanta* giving her expert advice.
