## About me

### Recent Speaking Topics

- ✓ **Linking Identity & Intersectionality**  
Diving into your identity is key to understanding intersectionality. Everything that makes us who we are encompasses either privilege or oppression. We'll take a deeper look these two terminologies to address societal lessons and misconceptions.
- ✓ **Navigating the "Real-Life Experience"**  
Breaking down the psychology of RLE to parents/guardians to ensure LGBTQ+ individuals can operate successfully in society as a member of their new sexuality/gender.
- ✓ **The Power of Understanding: Learning & Accepting The LGBTQ+ Community**  
Connecting with families, friends, and companies on the importance of understanding of the LGBTQ+ community.

### Featured On/The Press/Client List

Amari "Mari" McGee is an LGBTQ+ professional speaker, educator, activist, consultant, and content creator. During his professional career, Mari has been featured in Canva, USA Today, PinkNews, and other media outlets for his work within the Transgender community. He delivers educational and inspirational presentations on allyship, workplace inclusivity, LGBTQ+ psychology, LGBTQ+ history, and community acceptance. As an inspirational speaker, educator, and consultant; Mari also brings over 7 years of experience as an activist for the transgender community to his work.
