Miles Welch is one of the smartest leadership minds I have encountered. His uncommon ability to translate complex leadership principles into practical leadership practices makes him a uniquely helpful communicator and coach.

*Randy Redner,
Former President and CEO
of The Community Foundation
for Northeast Georgia*

Miles is the best gift I have given myself for leadership development and my church for health and growth. If you spend any time with him, you will see what I mean.

*Ricky Spindler,
Lead Pastor, Stone Creek Church,
Urbana, Illinois*

His teaching led me to a place where I could cultivate a different kind of culture within my organization and strengthen team.

*Lucas Wilson,
Founder of Wilson Law
Minneapolis, MN*
