

Neha Sonney

Neha is a sought-after international speaker who fully believes in the power of personal stories that motivate, inspire, educate and transform people.

By combining her own personal first-hand experience, with her business expertise, she delivers compelling yet relatable presentations for conferences, on-line events, interviews, panels, meetings, retreats, workshops and seminars that have been met with rave reviews, and can be adapted to suit your venue and audience.

Author of the bestselling book WIRED FOR SELF-LOVE, she is an experienced meditator with in-depth insights on emotional regulation as a tool for massive transformation, helping her clients get from lost to empowered in record time.

PRAISE FOR NEHA:

Woken up and more self-aware now!

-Todd Raphael | U.S. Consulate staff

"One of the most authentic books on personal development."

-Deepak Bal (Review for Neha's book)

"The benefits of self-love and meditation are immense."

-Candy Chia | 2-day seminar attendee

"I love myself thanks to placing strong boundaries, Thank you, Neha."

-Buse Ermen | 2-day seminar attendee

SPEAKING TOPICS:

The Power Of Identity and Clarity in Success

If education, hard work, passion and being fabulous at what you do were enough, then most people would easily thrive and find the happiness and success they're looking for.

However, very few ever get the personal satisfaction even from the financial success they enjoy.

Discover what happy people do differently.

Get Wired For Self-Love

Break Free of the Beliefs That Limit Your Potential!

Empower yourself with 11 strategies to free yourself from your past, embrace your true identity, and develop unshakeable confidence.
