- Amazon

The author Ameenah Fuller is using this book as a teachable tool to educate adults and children about our true American History story. The book is available in paperback, kindle and hardback versions.

The story of Okey Drew is about 120 years of the denial of citizenships rights in the Muscogee Creek Nation. It's about oppression to suppression and back to oppression. It's about the issue of human rights, dignity and heritage. This book will explain the complexities of tribal enslavement, freedom, citizenship rights and the continued fight for reconciliation.

The author is available to speak about her ancestor Okey Drew to explain a forgotten story in our American History. If you are interested in arranging for a speaking event with Author Ameenah Fuller. Please contact Looking-In Publication
