Future of Work

**4 Principles of
Connection™**

Employee Experience

Trusted by Leading Organizations

“Excellent! I voted this my favorite presentation because of Jason's enthusiasm and connection with the audience. Great content and a message I wish I had heard two years ago when I was clearly burnt out by the COVID pandemic and quit my job because of it.

- **Attendee**”

“Your presentation was far and away THE favorite according to the comments we received! Great job.

- **Conference Chair**”
