

DR. ROUSAWN DOZIER

SPEAKER • AUTHOR • CONSULTANT • COMMUNICATOR • STRATEGIST

ABOUT

Whether speaking to business professionals or college students, when Rousawn speaks, it's electric. His humble beginnings, strong work ethic, and his ability to cultivate and nurture relationships have enabled him to be a community philanthropist, thought leader and innovative entrepreneur. Having overcome his fair share of adversity and obstacles, his out of the box approach to mindset mastery has earned him the title of "Mindset Architect". His talks leave audiences both encouraged and motivated to take immediate action on applying his life changing strategy to their personal and professional lives. Through masterful storytelling and dynamic humor, Rousawn is able to keep his audience fully engaged while providing them with practical solutions for excellence and success.
