

HOLISTIC INSPIRATOR AND MOTIVATOR

Sacha Walton is a speaker and workshop facilitator on both the physical and virtual stages. She provides a fresh take on entrepreneurship by supporting and empowering all entrepreneurs through a holistic approach to business. This award-winning woman of inspiration is also a business coach, podcast host, author, and event producer.

Sacha has embraced her many challenges, primarily with the 2020 pandemic, which has led her to be an inspiration across many industries. She leads with a message of perseverance: "Your business is wrapped up within you, and understanding that becomes the true blueprint of success" (According2Sacha Podcast, 2022).

Sacha is the host of a live streaming show, According 2 Sacha. She has created a platform where other professionals can market their business, products, services, and creative expression to a broader target audience. According 2 Sacha is on all streaming platforms: Spotify, Amazon Music, iHeart Radio, and Pandora. The show streams live via Streamyard, Facebook, Twitter, and YouTube.

A passion for seeing everyone succeed in business and her love for music inspired Sacha to write Beyond the Music, A Music Artist Entrepreneurship Guide. This is a hybrid book that focuses on helping independent music artists identify as "Clientpreneur." "An educated artist creates leverage." - Sacha Walton. Beyond the Music is available on Amazon.

Sacha's professionalism, buoyant attitude, character, and unique sense of business have added value to many entrepreneurs and businesses she has coached. She is an amplified SUPERPOWER!

TESTIMONIALS

"Her insight and informative presentation provided a wealth of knowledge to the attendees. I highly recommend Sacha for virtual events and speaker presenter at future workshops and events."
-Ronjeanna Harris

"Sacha Walton is a force to be reckoned with! With her keen knowledge paired with her dynamic personality, she was truly an energizer for the attendees of the conference. The women were engaged and she got them fired up about events and what they can do for their brand."
