

Perspective Shifting

Who I Am:

Stephanie Kunkel

- Leadership Development Specialist
- Best Selling Author
- Business Owner
- Consultant

A little more about me:

After I created leadership development programs for multiple teams, I launched my mentoring career. I have been leading teams since 2007 and as a leader, I recognized that I had a gift for helping other leaders understand how to make a true difference which is what the world needs, especially now.

The Classes I Offer:

- **Mental Health and Leadership** - Leading those who are neurodivergent
- **The Leadership LENS** - How neuroplasticity helps you lead
- **Coaching, Conflict, and Communication** - Conflicts can foster culture
- **Foundations in Leadership** - Creating a foundation of authenticity for leaders
- **Online training** - Ask me about The 1,000% Shift!

Some testimonials:

“Stephanie is ‘like us’; a mom who talks about things she herself has been through. She helped me challenge myself. Her course is interactive, and no question is dumb. She validated my feelings and helped me work through them so I could be a better leader.”

“Stephanie is a professional that puts her heart and her wisdom into what she does. I wanted to share this because she has done wonders for my self-esteem... And she’s real. Please don’t hesitate to reach out to her.”
