

# FACE YOUR FEAR OR FAIL:

*Transform Yourself and Your Venture by  
Learning the 1st Principles of Change*

## Do you have an Entrepreneurial Quest that's being blocked by Fear? Then, Face your Fear!

This presentation uncovers the 1st Principles of change—the foundational principles on which all change is predicated—and reveals the proven methods for effectively making application of those principles. At the age of 7, Stevie Maranville lost his eyesight. This loss surfaced a deeply-embedded and traumatic fear of change. Realizing even at this young age that change is the only true constant, he was compelled to face his fear of change. Consequently, for the past 50+ years, the now Dr. Steven Maranville has studied and distilled the 1st principles of change. In this riveting presentation, you get an insider's account of how transformation really happens!

After this presentation, you'll ...

- **Uncover the 1st Principles of Change essential to achieving your quest.**
- **Master the mindset essential to facing the fears that are blocking your success.**
- **Experience fulfillment by applying the 1st Principles of Change to your quest.**
