## Your Truth Your Story!

### Developing Leaders of STEM

### Leadership Speaker and Coach

#### KEYNOTES - WORKSHOPS

##### ***The Leadership Presence***

Would you like to have a strong presence that influences and engages? People with strong personal presence attract success because people notice them, want to engage with them and hear what they have to say.

##### **Learn:**

- The core components of presence
- What presence for high impact looks like
- How to increase your presence for greater impact

##### ***Developing & Leading a High-Performance Team***

How do you create a shared vision? What inspires and motivates people? Diversity is critical to a successful team.

##### **Learn:**

- To build a team that works together
- To engage your team
- How to gain buy in and commitment

##### **Lasting Results**

- Develop Future Leaders in STEM
- Cultivate High-performance Teams
- Deliver Impactful Presentations
- Leadership Coaching

#### Your Truth Your Story

- How to keep the focus on your goals and dreams.
- Determine the next steps to make them a reality.
- How to find the people in your life that will lift you up and help you achieve your dreams.

#### Gina Has Presented To:

CVS, Fannie Mae, GM General Motors, Diversity in Computing Summit UMD, Intelsat, HBA, Sprint, AT&T

#### What Audiences & Clients Are Saying

*Your three consecutive sessions were well-received and generated positive feedback. Your ability to work with three individual audiences and to field questions and answers added great value to our program. Lily Serge, Chair HBA Montgomery Corridor*

*"The Leadership Presence" - Very impressive, well organized, well presented and so persuasive. Abraham Katz, DDS*

*"Got to Get a Fan Club" Outstanding Gina, you soared!!! - Maya Feemster-Jones, M.Ed., Executive Coach*

***"Thank you for helping Dylan find his story and build his confidence." Susan Kurtz***
