BIO

Tullio is a dynamic keynote speaker, 3X author, host of [DojoLIVE!](#) and the [Rant & Grow](#) podcast. Tullio's main theme is focused on adopting emotional intelligence centered leadership principles. He provides tools on how to create an organization where vulnerability and gratitude lead to more trust, and empowerment.

As an expert level certified life coach Tullio is on a mission to empower people to believe in themselves more and plant a seed for leading with freedom instead of controls. He has cracked the code on how to tap into high levels of self-worth in order to be a better leader.

He wants everyone on this planet to be able step into their best self and break free of the mindset prison of "not good enough" rooted in lack of emotional intelligence.

Tullio leads strategy for Nearsoft a [Warburg Pincus](#) portfolio company owned by Indecomm, and is co-founder of [Radical](#), a social justice movement centered on infusing human dignity in all aspects of life, including the workplace.
