

JL Heather

Executive Coach / Speaker / Author / Facilitator

I'm your next Speaker!

I bring a unique blend of expertise in leadership development, Lean/Agile methodologies, and organizational transformation. With a focus on building authentic leadership through vulnerability and trust, I offer valuable insights and practical strategies for listeners looking to enhance their leadership style. By leveraging Lean and Agile principles, I help leaders build and empower high-performing teams, fostering a culture of collaboration, innovation, and continuous improvement. As a guest, I can provide actionable advice and real-world examples to inspire and empower your audience on their leadership journey.

About Me

I have spent 20 years working in organizational transformations and discovered the #1 path to real change and lasting improvement is through helping leaders rise to the challenge of their role. For the last 5 years I have done just that by coaching senior and executive leaders at companies like VML, Ford, Pfizer, Wendy's, T-Mobile, GE, and many others.
