SIGNATURE KEYNOTES

Unstoppable

A personal journey of overcoming childhood abuse and trauma to ultimately live a life of #NoExcuses, becoming a successful Corporate Executive, Author, Brand & Networking leader.

Take Aways: Very motivational. Highly inspiring with hard won, leadership lessons.

Ideal for: Sales, Human Resources, Women's Empowerment and Motivation.

Accelerating Your Career Through Strategic Networking and Building Your Brand

Accelerate your career, and your success, through strategic networking. More than simply sending "connect" requests on LinkedIn, strategic networking is about building your personal brand, and forming authentic relationships that will turbocharge your career.

Take Aways: Actionable steps on how to craft a brand, start/maintain a network, and leverage that network for true success. Victoria also explores the surprising reasons why developing work-related personal connections can be difficult, especially in today's highly corporate environment, and why it's also a crucial skill to accelerate advancement.

Ideal for: Any client facing corporate audience (sales, client management, marketing), early professionals, front-line and mid level management.

Look Up! There's No Glass Ceiling

An exciting #NoExcuses keynote on how women can achieve a limitless career AND have the personal life that they choose (It's not, "family OR career"; It's possible to have both – and more!)

Take Aways: Learn Victoria's insights on how she's attained it all without compromising: Family, career, AND outside passions and "side hustles." Victoria shares key tactics on managing your brand, networking, negotiations, performance and boundaries.

Ideal for: Women - of all ages and stages of their career; very targeted to those in early to mid management.

Diversity & Inclusion – Hearing All the Voices at the Table

Companies talk the talk of Diversity & Inclusion, but fail to create environments where D&I is an integral part of the organizational culture. This keynote focuses on strategies that help organizations create a genuine, high-performing D&I culture. Victoria also explores unconscious bias, ways to address and educate employees, as well as technology that assists in Talent Acquisition/Recruitment using a variety of innovative solutions. Victoria also shares her personal story as the youngest executive in the room, at 24 years old, and the only woman.

Take Aways: Actionable steps on how to develop D&I strategies and tactics to move the needle, moving the conversation from talk, to measurable action.

Ideal for: Business and HR leaders/professionals, as well as senior management.
