Bio

Anntricia Bray

Anntricia Bray is a professional speaker from Hugo, OK. An educator by trade, Anntricia uses her influence to empower others to pursue and live their dreams. She has dedicated her life to helping individuals create and establish small businesses and break generational cycles of poverty.

Anntricia is the only life-master helping you get to your next level of greatness in life, personal finance, and business through empowering conference events, podcasts, books, and more.

Anntricia is a self-published author. Her rebranded book, “Recreating A Better Me 7 Step System”, is helping individuals around the world transform their lives because it:

- Offers solution-focused content
- Shares practical steps for overcoming financial scarcity
- Compartmentalizes relationships in a safe and respectful mannerism
- Helps you identify both strengths and weaknesses for ultimate transformation
- Guides you through steps to maximize business success and practices

And so much more...

Anntricia is the mother of two, adult daughters. She enjoys family time, travel, and karaoke.
