

LEMONADE DAVE JUSTUS – AUTHOR, MOTIVATIONAL SPEAKER, AND GUINNESS WORLD RECORD HOLDER

If you're the type of meeting planner ... who wants an informative, yet entertaining presentation—the kind of presentation that will have attendees *feeling good* about their potential to improve in some area of their personal and/or professional life, *and more importantly, singing your praises* for inviting them to attend, then "**Lemonade Dave**" is the ideal speaker for your event!

David Justus is an author, motivational speaker, and *Guinness World Record Holder*. As a two-time cancer survivor, he has made a habit out of turning his life's lemons into lemonade. Add this to his book he wrote called, ***The Lemonade Stand: How to Make a Difference 101*** and his *Guinness Record* for the *world's longest lemonade stand*, and you can understand why he is affectionately called, "**Lemonade Dave.**" When you meet him, you will see his passion for life radiates through his *smile* and *appreciation* for others. He is *easy* to work with when planning for and during your event. And he doesn't just attend for his presentation, he enjoys meeting attendees throughout the day, and desires to spend as much time as possible getting to know them.

BE FAIR WARNED: The energy from his presentations instantly begins to skyrocket after he is introduced because he sprints from the back of the room and onto the stage! He immediately gets the attendees involved by leading an interactive activity that has them pumped up about the hearing his message. Then, his stories take them on a journey, making them laugh one minute and cry the next, as he leads them down a path to realizing they have the potential to be and do more! And for many people, that it is never too late to become everything they are capable of becoming!

PROGRAM IDEAS: **Lemonade Dave** believes in the inner power of *human potential* and uses that as the key theme for all of his presentations. Program Ideas include the topics of change, team building, time management, self-management, attitude, parenting, leadership, sales, college/university, youth, and spouse programs.

FLAT FEE: Although his fees vary, **Lemonade Dave's** fees are flat (inclusive), which includes all expenses related to travel and other accommodations. He is willing to travel to anywhere in the Continental US. Additionally, he always tries to help by working within the event budget.

David is a wonderful and inspirational speaker. He was our keynote for the second day of our conference. He was the first speaker in five years to receive a standing ovation ... he was amazing!
