

# Tonya Reiman

The first step to getting someone to say YES to you ..... is getting YOU to say YES to you!

## Tonya Reiman, Body Language Expert, Human Behavior Analyst, Speaker and Best-Selling author

Tonya Reiman analyzes human behavior. As an internationally recognized Body Language Expert she speaks on topics that include how you become a YES during the first impression, reading the body language of others, influence, persuasion and deception detection. Everyday, many times a day, you are selling YOU—your ideas, beliefs, products services and your desires. Tonya can help your audience make the best first impression possible merely by understanding the proper way to communication. In other words, she helps you become the best YOU possible. Whether delivering the keynote speech or a full day seminar, she is entertaining and informative. Tonya speaks to people worldwide – corporations, associations and law enforcement agencies. She will motivate and inspire – most importantly, she will leave your attendees talking about the tools they've learned to master their lives, both personally and professionally.

## THE GENDER AGENDA

Learn and benefit from the biological gender differences we encounter daily. Discover how our varied thoughts, when understood, can lead to major advancements in your environment. Get a firm grasp on how the opposite gender assimilates information and how it manifests itself both verbally and nonverbally. Learn how to understand and respond to achieve the best possible results with anyone in your world.

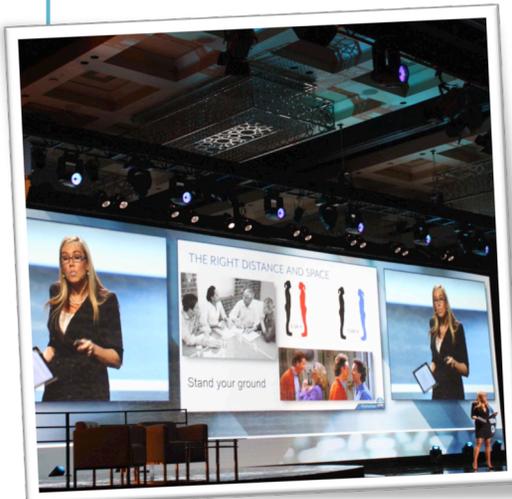

## BODY LANGUAGE – YOUR BODY SPEAKS LOUDER THAN YOUR VOICE

Body language makes up the majority of ALL communication. Did you know that you can determine if a person is lying by a subtle shift in the eyes? Did you automatically recognize that Roger Clemens or Bill Clinton were lying? I DID.. Allow me to demonstrate to your people the subtle skill of reading nonverbal communication. Read body posture, master ways to persuade, learn to read what someone's face is saying, identify the cues for deception and discover how to change your appearance to make others more interested in what you have to say.

## GENERATING SUCCESS IN TOUGH TIMES

A Presentation for anyone involved in the business world. Learn a set of covert skills of persuasion via nonverbal and verbal transmission that will enable you to engage in any situation confidently, enthusiastically, and successfully. Using nonverbal communication and language patterns to access specific mindstrings will allow you to reframe any situation and anchor positive feelings in those you encounter. Understanding simple techniques such as speaking the same "language" as your client. Learn about framing and reframing, neural imprinting, and the breakdown of words. Master any situation and succeed in any climate once you learn the secrets of nonverbal and nontraditional communication.

"One of the most popular features on "The Factor" has been our body language segment with Tonya Reiman, in which we take a look beyond what people are saying and zero in on what they're thinking based upon their physical cues." *Bill O'Reilly, The O'Reilly Factor, FOX*

**International Best Selling Author of 3 books – The YES Factor, The Power of Body Language and The Body Language of Dating.**
